Summary

Front-End Developer | HTML | CSS | Bootstrap | JavaScript | Angular
| SQL | Photoshop | Figma | MS Office

Experienced Front-End Developer with a strong passion for creating intuitive and visually appealing web experiences. Leveraging expertise in HTML, CSS, Bootstrap, JavaScript, and Angular, along with a solid understanding of SQL, Photoshop, Figma, and MS Office, to deliver exceptional results.

1.5 years of professional experience working as a Front-End Developer, delivering high-quality code and implementing responsive designs across various projects.

Skilled in developing user-friendly interfaces using HTML and CSS, ensuring cross-browser compatibility and accessibility to optimize the user experience.

Proficient in JavaScript and Angular frameworks to enhance interactivity and functionality, creating dynamic web applications.

Strong understanding of SQL for database management and integration, ensuring seamless data retrieval and manipulation.

Creative problem-solver with a keen eye for design, utilizing tools like Photoshop and Figma to craft visually stunning layouts and prototypes.

Proven ability to work both independently and collaboratively in fast-paced environments, meeting deadlines and exceeding client expectations.

Freelancer experienced in bidding platforms, effectively managing multiple projects simultaneously and delivering exceptional results within budget and timeline constraints.

I am constantly seeking opportunities to learn and grow, staying up to date with the latest front-end development trends and best practices. If you're looking for a dedicated and versatile front-end developer who can bring your web projects to life, let's connect!
